

2009 Tescos

A list of the carols that we will sing is given below.

They are all from the white book 100 Carols for Choirs and I've listed them as they appear in the book; you will see they are the best known ones. Apart from noting the occasional omitted verse, the only complication is what to do about the carols with a descant. Because we are unaccompanied, we can't do those verses so I have noted in each case how to avoid the descant music. Remember folders (good advert).

Please print off the details and bring them on Thursday. We have been asked to appear 'Christmassy'.

- Away in a Manger (p61)
- Deck the Hall (72)
- Ding Dong (82)
- Good Rest You (83 – omit v.3 and 4; all to same harmony)
- Hark the Herald (107 – all to same harmony)
- We Wish You (164)
- In the Bleak Midwinter (173 – omit 3, 4)
- Coventry Carol (212 – NB – carol ends with repeat of refrain)
- O Come (226 – omit v.4,5 and 7; all to same harmony)
- O Little Town (p.234 – all to same harmony)
- Once in Royal (260 – omit 3 and 4; all to same harmony)
- While Shepherds (378 – all verses – to same harmony)

We shall sing these carols again and again until the throw mince pies at us. At your suggestion we can change things round a bit for variety.

See you at 6.20pm or as soon as you can after that. Don't worry about being late if you're a worker. Last year we were finished before 8pm.
