John Trigg,
Chairman,

Guildford Philharmonic Choir.

Dear John,

We do want to write
and congratulate the choir on
their really outstanding
performance at the Cathedral
last Saturday night. Choir
members have never sounded
better and made a major
contribution to the success
of the evening. Not only

did choir members sound good -
they looked good. The visual
effect is also important!

Thank you all for giving
so much pleasure to so many
of us.

With best wishes.

Yours sincerely,

Rina and Roseen Bellerby
