Dear Members

For some of us this will have been the shortest ever break from choir but I hope nonetheless that you are all looking forward to the start of the new season on 5th September.

Before that, however, we have 'Come and Sing' on Saturday 3rd September. If you are intending to sing (and I hope most of you are), please return your form to the office as soon as possible, and do spread the word around to as many people as possible - this is one occasion where 'the more, the merrier' will hold true. Anyone willing to help on the day and/or make a dozen small cakes for refreshments for the interval should notify the office. Such help will be much appreciated. I hope this will be a very happy occasion - not only for us but for our visitors - and I am sure you will do your best to make them welcome.

We have a very interesting and busy season ahead of us. To maintain our high reputation, whole-hearted commitment is needed and regular attendance at rehearsals is paramount. I think we should all aim to equal Neville's splendid record last season.

I hope you have all enjoyed your holidays and I look forward to seeing you on the 5th September.

Best Wishes

Rita
