Dear Members

Before we look forward to the coming season, I am sure you would wish me to say an enormous 'thank you' to Geoff Forster for organising the visit to Merrist Wood and the barbecue that followed. It was a lovely way in which to finish what I am sure you will all agree was a lovely season of music-making and this coming season promises to be just as interesting and exciting.

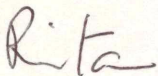

However, like most things worthwhile, it demands a commitment from everybody to ensure that we maintain and indeed enhance our reputation. There are several things that you can do to help in the smooth running of the choir:

- a) attending regularly and making sure you tick the register each week.
- b) informing your voice part representative if you are likely to be absent for any length of time, and/or are unable to sing in a concert.
- c) paying fees promptly (in the envelope provided).
- d) returning hire music immediately after a concert.

Please make good use of the Come and Sing information and the season's brochure - personal contact and recommendation is the most valuable of all publicity. (Further copies are available from the office).

Enjoy what is left of the summer break. I look forward to seeing you all again on September 4.

Best wishes
