Dear Choir Members,

Thank you all for the wonderful singing at Mike's funeral service last Tuesday in All Saints' Church.

I know Mike would have felt very honoured, as I do, to have Jeremy and so many of you there. He certainly would have enjoyed hearing the Church filled with such beautiful music.

I have received a number of letters from friends, since the service, expressing their appreciation especially of the music and the atmosphere that was created by it.

Mike thoroughly enjoyed his fifteen years

with the Choir which gave him so much
pleasure.

I wish you all every success in the
future and hope to see and hear you
at concerts in the coming season.

With best wishes,

Anna Bradbeer
